

Exhibition Opportunities

EDvance Summit 2026 — Bridging Educational Divides. Building Tomorrow's Workforce.

EDvance Summit 2026 offers EdTech companies, technology providers, development organisations, and educational innovators a unique platform to showcase their work to a high-profile audience of policymakers, researchers, university leadership, and TVET practitioners from across Africa and beyond. Three exhibitor tiers are available. Note: exhibitor tiers are separate from and complementary to conference sponsorship packages.

MODERN CLASSROOM — DEMO SCHEDULE & BOOKING

The Modern Classroom of the Future is the conference's dedicated innovation showcase space. All exhibitors receive at least one guaranteed 8-minute demonstration slot, booked in advance on a first-come-first-served basis within each tier's priority window. Slots not taken up by the priority tier are opened to all remaining exhibitors.

The 5 Innovation Award finalists are assigned the Day 2 showcase slot and do not receive an additional regular demo slot.

EXHIBITOR INNOVATION AWARD — SUMMARY

The EDvance Summit Exhibitor Innovation Award recognises the most impactful innovations in digital education, EdTech, TVET, and workforce development. It is open to all confirmed exhibitors and is entirely merit-based — it cannot be influenced by exhibitor tier or financial contribution.

- Any confirmed exhibitor may apply — deadline 31 August 2026
- An independent committee of industry, science, and ministry representatives selects 5 finalists
- Finalists announced mid-August via social media and named in the conference proceedings
- All 5 finalists present at the Day 2 Modern Classroom showcase (14:15–15:15)
- Audience votes — top 3 receive the award at the closing plenary on Day 3
- All 5 finalists featured post-event in the report, summary video, and social media

For full application guidelines, submission requirements, evaluation criteria, and pitch format, please refer to the separate EDvance Summit Exhibitor Innovation Award — Call for Applications document, available at edvance-summit.com.

NETWORKING LIST

All exhibitors receive access to the opt-in attendee networking list — name, institution, country, and sector of attendees who have explicitly consented to appear. Distributed exclusively to confirmed exhibitors and sponsors. Timing is tiered: Platinum 2 weeks before, Gold 1 week before, Silver at check-in.

In compliance with GDPR, only consenting attendees are included. The list may not be redistributed.

CONTACT & NEXT STEPS

Exhibition spaces are limited. We recommend registering your interest early to secure your preferred tier and demo slots.
