

# Sponsorship Opportunities

EDvance Summit 2026 — Bridging Educational Divides. Building Tomorrow's Workforce.

EDvance Summit 2026 brings together policymakers, educators, researchers, EdTech innovators, and development organisations across Africa and globally. Over three days in Nairobi, Kenya, the Summit explores digital equity, evidence-based pedagogy, and pathways from digital skills to employment — connecting research with practice and policy with action.

Sponsoring EDvance Summit 2026 places your organisation at the centre of Africa's most important education and workforce development conversation of the year, reaching a high-profile audience of decision-makers, academics, and innovators from across the continent and beyond.
